**Charter Club #2136**

Thanks to Bruce Rynes for donating all the wood for the tables and canopy boards. He redid two tables and started on the third. He also painted the fence. We used Tony's truck to haul the material to the field. The canopy was done Friday Oct. 20th with the help of Pat Doran, Tony Kostanko, and Bruce Rynes.

The satellite was emptied last week.

The next item on the list would be the trailer and mower. The last time I mowed the mower and trailer had a flat tire.

Indoor flying will be on the list. Maybe try for November?

The club dues \$35.00 are due in December.
