## Charter Club #2136

**New member first year \$25.00, second year \$30.00 Family: First year \$30.00, second year \$35.00**

**Family: \$35.00 until youth member is out of college. Youth member non family: \$15.00 per year for those under 19 as of July 1, paid to a club officer, by the end of December. 19 and older in college \$25.00**

**AMA insurance should be checked for renewal.**

**Hope the weather (wind) will be okay for winter flying.**

**Float Fly 2022**

**From the president: Sunday Oct. 30, I was informed that someone was having a great time at the Babbitt flying field. The driver was out in his vehicle enjoying driving around putting ruts, throwing out sod, and just being a jerk. Ken Madson called me to inform me of the damage. I called Doug Anderson to check it out so he could let me know the extent of damage. I called 911 non emergency just to have person notify the Babbitt police that damage was done to the field. The officer took pictures to verify the complaint, which has to be done every time vandalism is done at the fields. Monday Ken, Doug, and I were back at the field moving the sod pieces back in the tire tracks. We decided to finish it this coming spring.**

**Bob Hedlund has decided to give up being club treasurer as of January 1, 2023. The club is going to need a new treasurer. That means we will have to have a meeting or have some names of volunteers for nominations. If we have a meeting we need a nice warm place since the weather is changing and the fields will not be available for a meeting. Let me (Tony) know if you have a good place to meet!**

**It's that time to pay club dues for 2023.**
